### **About Inari Medical, Inc.**

Inari Medical, Inc. is a commercial-stage medical device company focused on developing products to treat and transform the lives of patients suffering from venous diseases.

Inari is focused on treating venous thromboembolism and improving the quality of life of patients suffering from this disease by safely and effectively removing blood clots. Inari has developed two minimally-invasive, novel catheter-based mechanical thrombectomy devices that are designed to remove large clots from large vessels and eliminate the need for thrombolytic drugs. The ClotTrieve system is 510(k)-cleared by the FDA for thrombectomy in the peripheral vessels and is used to treat patients suffering from deep vein thrombosis. The FlowTrieve system is 510(k)-cleared by the FDA for the treatment of pulmonary embolism.
