**Item 5.02(d)**

Effective as of March 1, 2022, the Board of Directors (the “Board”) of Inari Medical, Inc., a Delaware corporation (the “Company”) increased the size of the Board from eight (8) directors to nine (9) directors and appointed Robert Warner as a new Class III member of the Board and as a member of the Audit Committee of the Board. Mr. Warner’s term of office as a Class III Director will expire at the Company’s 2023 annual meeting of stockholders or until his successor has been elected and qualified or his earlier death, resignation, or removal. The Board has determined that Mr. Warner is an “independent director” as defined under the applicable rules and regulations of the Securities and Exchange Commission (the “SEC”) and the listing requirements and rules of the Nasdaq stock market and is a “non-employee director” under Section 16 of the Exchange Act of 1934, as amended.

From August 2015 to February 2018, Mr. Warner served as President and General Manager of Alcon Vision Care Franchise (Alcon). Prior to that, Mr. Warner served as President, U.S. and Canada, for Alcon from January 2012 to July 2015 and as President, Canada and Latin America, for Alcon from November 2010 to January 2012. From January 2005 to October 2010, Mr. Warner served in positions of increasing responsibility for Alcon. Mr. Warner was a member of the Alcon Executive Leadership Team for over 10 years and led the Alcon transition from Nestle to Novartis majority ownership. Since August 2021, Mr. Warner has served on the board of directors of RXSight, Inc. (NASDAQ GS: RXST), a commercial-stage medical technology company dedicated to improving the vision of patients following cataract surgery, where he also serves as chair of the nominating and corporate governance committee and as a member of the compensation committee. Mr. Warner currently serves on the board two private medical device companies, i-Lumen Scientific, where he is also a member of the compensation committee, and EyeYon Medical, where he also serves as Chairman. In addition, Mr. Warner is a board member of GRACE, the Grapevine Relief and Community Exchange, a nonprofit relief agency that provides vital necessities to people who are struggling with a limited income or recent emergency. Mr. Warner holds a B.S. in Chemistry from Pace University and an MBA from Rutgers University.

Mr. Warner will be compensated in a manner consistent with the Company’s other non-employee directors, as described under the heading “Director Compensation” in the Company’s definitive proxy statement filed with the SEC on April 16, 2021.

There are no arrangements or understandings between Mr. Warner and any other persons pursuant to which he was appointed as a director. Furthermore, there are no transactions in which Mr. Warner has an interest that would be required to be reported under Item 404(a) of Regulation S-K.

**Item 7.01 Regulation FD Disclosure.**

On March 1, 2022, the Company issued a press release announcing the appointment of Mr. Warner. A copy of the press release is attached hereto as Exhibit 99.1.

The information contained in this Item 7.01 and Exhibit 99.1 hereto shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any other filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.

## Inari Medical Appoints Robert Warner to Board of Directors

IRVINE, CALIFORNIA – March 1, 2022 (GLOBE NEWSWIRE) -- Inari Medical, Inc. (NASDAQ: NARI) ("Inari") a medical device company with a mission to treat and transform the lives of patients suffering from venous and other diseases, today announced the appointment of Mr. Robert Warner to its board of directors. Mr. Warner will serve as a member of the Audit Committee of the board.

"We are pleased to welcome Robert as a new independent director to our board. Mr. Warner's decades of executive operating experience, including internationally, will be highly valuable to Inari as we enter the next phase of our mission to treat and transform the lives of patients suffering from venous and other diseases," said Bill Hoffman, Inari's Chief Executive Officer.

From August 2015 to February 2018, Mr. Warner served as President and General Manager of Alcon Vision Care Franchise (Alcon). Prior to that, Mr. Warner served as President, U.S. and Canada, for Alcon from January 2012 to July 2015 and as President, Canada and Latin America, for Alcon from November 2010 to January 2012. From January 2005 to October 2010, Mr. Warner served in positions of increasing responsibility for Alcon. Mr. Warner was a member of the Alcon Executive Leadership Team for over 10 years and led the Alcon transition from Nestle to Novartis majority ownership. Since August 2021, Mr. Warner has served on the board of directors of RXSight, Inc. (NASDAQ GS: RXST), a commercial-stage medical technology company dedicated to improving the vision of patients following cataract surgery, where he also serves as chair of the nominating and corporate governance committee and as a member of the compensation committee. In addition, Mr. Warner is a board member of GRACE, the Grapevine Relief and Community Exchange, a nonprofit relief agency that provides vital necessities to people who are struggling with a limited income or recent emergency. Mr. Warner holds a B.S. in Chemistry from Pace University and an MBA from Rutgers University.

### About Inari Medical, Inc.

Inari Medical, Inc. is a medical device company with a mission to treat and transform the lives of patients suffering from venous and other diseases. Inari has developed two minimally-invasive, novel catheter-based mechanical thrombectomy devices that are designed to remove large clots from large vessels and eliminate the need for thrombolytic drugs. The company purpose-built its products for the specific characteristics of the venous system and the treatment of the two distinct manifestations of venous thromboembolism, or VTE: deep vein thrombosis and pulmonary embolism. The ClotTriever system is 510(k)-cleared by the FDA and CE Mark approved for the treatment of deep vein thrombosis. The FlowTriever system is 510(k)-cleared by the FDA and CE Mark approved for the treatment of pulmonary embolism and clot in transit in the right atrium.
