Inari Medical Reports Second Quarter 2021 Financial Results

IRVINE, CALIFORNIA – August 10, 2021 (GLOBE NEWSWIRE) -- Inari Medical, Inc. (NASDAQ: NARI) ("Inari") a commercial-stage medical device company focused on developing products to treat and transform the lives of patients suffering from venous diseases, today reported financial results for its second quarter ended June 30, 2021.

Second Quarter Revenue and Business Highlights:

Ш	Treated a record number of patients, with revenue of \$63.5 million for the second quarter of 2021, up 11% sequentially and 150
	year-over-year.
	Announced FDA clearance of FlowSaver, enabling bloodless thrombectomy with the use of Triever Catheters.
	Presented interim results of the CLOUT DVT registry at New Cardiovascular Horizons, confirming best in class safety, clot removal, and clinical results for patients treated with ClotTriever.
	Ended the quarter with \$176.1 million in cash, cash equivalents and short-term investments.

"Our second quarter was highly successful, especially in ways most important to our mission to treat and transform the lives of our patients," said Bill Hoffman, CEO of Inari Medical. "We treated a record number of patients, reported best in class data from our CLOUT registry, and announced FDA clearance of FlowSaver, making bloodless thrombectomy a reality across the entire Inari portfolio. We continue to invest aggressively to expand our capabilities to treat even more patients and address more unmet needs. We love every second of this work, and we are so thankful to all of you for believing and committing along with us in this mission."

Second Quarter 2021 Financial Results

Revenue was \$63.5 million for the second quarter of 2021, compared to \$57.4 million for the prior quarter and \$25.4 million for the second quarter of 2020. The increase over prior year was driven by continued U.S. commercial expansion and new product introductions.

Gross profit was \$58.6 million for the second quarter of 2021, compared to \$21.9 million for the same period of 2020. Gross margin was 92.4% for the second quarter of 2021, up from 86.3% for the same period in the prior year, due primarily to the impact of an idle capacity charge in the second quarter of 2020 of \$1.1 million, combined with current quarter product mix and manufacturing efficiencies.

Operating expenses for the second quarter of 2021 were \$54.5 million, compared to \$22.5 million for the second quarter of 2020. The increase was mainly driven by an increase in personnel-related expenses to fund the expansion of the commercial, research and development, clinical and support organization.

Net income was \$4.1 million for the second quarter of 2021 and net income per share was \$0.08 on a weighted-average basic share count of 49.7 million and \$0.07 on a diluted share count of 55.6 million, compared to a net loss of \$3.8 million and a net loss per share of \$0.16 on a weighted-average basic and diluted share count of 24.3 million in the same period of the prior year.

Our cash, cash equivalents and short-term investments were \$176.1 million as of June 30, 2021.

COVID-19 and Guidance

Despite ongoing challenges and uncertainties in its operating environment, Inari Medical is updating financial guidance as follows:

For the full-year 2021, revenue guidance is increased to \$250 to \$255 million from the previous guidance of \$240 to \$250 million.

Webcast and Conference Call Information

Inari Medical will host a conference call to discuss the second quarter 2021 financial results after market close on Tuesday, August 10, 2021 at 1:30 p.m. Pacific Time / 4:30 p.m. Eastern Time. The conference call can be accessed live over the phone (833) 519-1265 for U.S. callers or (914) 800-3838 for international callers, using conference ID: 1160795. The live webinar can be accessed at https://ir.inarimedical.com.

About Inari Medical, Inc.

Inari Medical, Inc. is a commercial-stage medical device company focused on developing products to treat and transform the lives of patients suffering from venous diseases. Inari has developed two minimally-invasive, novel catheter-based mechanical thrombectomy devices that are designed to remove large clots from large vessels and eliminate the need for thrombolytic drugs. The company purpose-built its products for the specific characteristics of the venous system and the treatment of the two distinct manifestations of venous thromboembolism, or VTE: deep vein thrombosis and pulmonary embolism. The ClotTriever system is 510(k)-cleared by the FDA and CE Mark approved for the treatment of deep vein thrombosis. The FlowTriever system is 510(k)-cleared by the FDA and CE Mark approved for the treatment of pulmonary embolism and clot in transit in the right atrium.

Forward Looking Statements

Statements in this press release may contain "forward-looking statements" that are subject to substantial risks and uncertainties. Forward-looking statements contained in this press release may be identified by the use of words such as "may," "will," "should," "expect," "plan," "anticipate," "could," "intend," "target," "project," "contemplate," "believe," "estimate," "predict," "potential" or "continue" or the negative of these terms or other similar expressions. Forward-looking statements include financial guidance regarding second quarter and full year 2021 revenue and the potential impact of COVID-19 on the business, and are based on Inari's current expectations, forecasts and assumptions, are subject to inherent uncertainties, risks and assumptions that are difficult to predict, and actual outcomes and results could differ materially due to a number of factors. These and other risks and uncertainties include those described more fully in the section titled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operation" and elsewhere in its Annual Report on Form 10-K for the period ended December 31, 2020 and in its other reports filed with the U.S. Securities and Exchange Commission. Forward-looking statements contained in this announcement are based on information available to Inari as of the date hereof and are made only as of the date of this

release. Inari undertakes no obligation to update such information except as required under applicable law. These forward-looking statements should not be relied upon as representing Inari's views as of any date subsequent to the date of this press release. In light of the foregoing, investors are urged not to rely on any forward-looking statement in reaching any conclusion or making any investment decision about any securities of Inari.
